## **Minimum Charge Rate Increase**

At the 12 December 2018 Board of Water Commissioners meeting, the board voted to increase the minimum charge, i.e. service charge, from \$22.50 to \$25.00. This will be effective for the 1 April 2019 billing. The minimum charge offsets the expenses incurred by the District to read and process the water bills. The increased costs of postage, printing and equipment to process the bills has resulted in this increase. The last increase in the minimum charge was April 2014.
