NEW SERVICE

I am applying to the District for permission to connect to the water system for the purpose of supplying water to _____. As part of this application, I accept and will comply with the Rules and Regulations of the District and I will pay an entrance fee in accordance with the schedule set forth under Article III, Section 2. It is further understood that this application will be returned to the District office with the necessary fees as well as a certified plan showing existing and proposed buildings, lot lines, utility locations and the type and size of water service requested. All work to be done on the system, as well as new services, will be done by a licensed contractor or individual as specified under Article V. It is further agreed that all materials and workmanship will be in accordance with the Districts specifications.
